A wide-angle photograph of a skate park under an overcast sky. In the foreground, a large, smooth concrete bowl is visible. In the background, several people are scattered across the park, some sitting on ledges and others standing. A man in a white t-shirt and dark pants is standing in the middle ground, looking towards the camera. To the right, a person is sitting on a ledge with a skateboard. A sign is visible on the right side of the park. The overall atmosphere is casual and active.

5、 Automatic tile mounting *9

6、 H2 Heidelberg CTP direct plate making systems

7、 CNC slitting

8、 Digital proofing and automatic color box cutting

9、 Others

A wide-angle photograph of a skate park at dusk or dawn. The scene is filled with skateboarders of various ages and styles. Some are sitting on the concrete ledges, while others are in motion, performing tricks or simply cruising. The lighting is soft and golden, creating a relaxed atmosphere. In the background, a sign is visible on a post. The overall composition is horizontal, with the skate park's curves and ledges leading the eye across the frame.
